POLICY

1. School profile

At Yinnar Primary School we are all learners. We guide our younger learners to stretch their minds, supporting them as they develop into resilient, reflective and resourceful life-long learners who can learn in both independent and collaborative environments. The school focuses strongly on the development of growth mindsets in our students, to instill in our children a belief that their intelligence can be cultivated and grown through hard work and personal discipline. We teach students how to develop their learning muscles and empower them to be learner's not just achievers. Through an explicit focus on developing our core values of Growth Mindset, Respect, Aim High, Curiosity and Enthusiasm (GRACE), we encourage our students to be enthused and curious about their learning and to respect themselves as well as each other.

We are continually reflecting on and aiming to improve our learning culture, where our students and teachers flourish. Through a diverse range of leadership opportunities and experiences, we are striving to

ensure that our entire student population feel empowered to make a difference in their own learning and the world around them.

Our staff are energetic, motivated and committed to ensuring our students develop the attitudes, skills and knowledge that enables them to engage in challenging learning, which results in maximum learning growth.

We have a supportive and active parent community who work in partnership with the school.

2. School values, philosophy and vision

Yinnar Primary School recognises the importance of the partnership between schools and parents to support student learning, engagement and wellbeing.

We share a commitment to, and a responsibility for, ensuring inclusive, safe and orderly environments for children and young people.

This Statement of Expectations sets out our behavioural expectations of all members in this school community, including the principal, all school staff, parents, students and visitors. It respects the diversity of individuals in our school community and addresses the shared responsibilities of all members in building safe and respectful school communities.

Discrimination, sexual and other forms of harassment, bullying, violence, aggression and threatening behaviour are unacceptable and will not be tolerated in this school.

Our Statement of Expectations acknowledges that parents and school staff are strongly motivated to do their best for every child. Everyone has the right to differing opinions and views and to raise concerns, as long as we do this respectfully, as a community working together.

Our Statement of Expectations is available on the school's website
